

DO YOU KNOW?

L'CHAYIM is a monthly newspaper mailed to Jewish households in Lee and Charlotte Counties. **L'CHAYIM** helps to keep Jewish families informed about local, national and international Jewish news and offers the community the opportunity to read and write about issues that affect our community.

The Jewish Federation sends out a weekly email newsletter that highlights ongoing and upcoming activities at the Federation, as well as activities at other Jewish institutions in our community.

The Federation also compiles, updates and distributes **CONNECTIONS**, a community resource guide and directory for use by the Jewish Community. Everyone listed in the community directory receives one.

IF YOU CURRENTLY DON'T RECEIVE ANY OR ALL OF THE ABOVE PUBLICATIONS FROM THE FEDERATION, PLEASE LET US KNOW.
